# Prayer To Let Go of Fears and Expectations

Today and every day, I choose trust instead of fear. I believe trust is before faith. I declare a sound trust in you God. So I let go and renounce every fear today.

I LET Go of the fear of divorce and separation.

I LET Go of the fear that my spouse will change their heart affection towards me.

I LET Go of the fear of comparison and jealousy between us.

I LET Go of the fear that I won't meet or be up to par with their expectation.

I LET Go of the fear that I won't get along with my in-laws.

I LET Go of the fear of infidelity in our marriage

I LET Go of the fear that I will become controlling or nagging.

I LET Go of the fear that I will be disregarded  
or not listened too

I LET GO of the fear that my spouse would no longer want to live a  
radical life of faith with me

I LET Go of my expectations that they have to provide for me,  
validate me, comfort me, and reciprocate my love the way that I  
desire it

I LET Go of my expectation that they have to do things my way or  
to my liking

I LET Go of the expectation that they have to be perfect or strong  
at all times

Most of all I pray for Your expectations of them and let Go of my  
expectations of them so that I can be free to love them as You love  
them.

I LET ALL OF THESE Go and so much more at your feet Jesus.

Remind me daily not to pick it up again by your grace.

Amen!

# Psalm 51 Prayer of Repentance

Lord have mercy on me, blot out my sins, and wash me from my iniquity for I acknowledged my sins.

Lord purge me with hyssop and I shall be clean and wash me whiter than snow.

Make me hear joy and gladness, in my life, in my family, and in my marriage.

Create in me a clean heart and renew a right spirit within me.

Restore to me the joy of my salvation and uphold me with thy spirit.

Deliver me from condemnation in Jesus name I pray.

## Every Couple Should Do This...

You see the Lord is revealing this because many of you are suffering from different assignments in your life, in your family, and in your marriage that may be a result of the Demon Asmodeus, soul ties, and or a spiritual wife or spiritual husband made through demonic covenants knowingly and unknowingly.

You may start reading this thinking, well I am not married it doesn't affect me or I am single and still a virgin this book won't help me, or I was a virgin or both I and my husband were virgins before we got married it doesn't affect me. However, with any of these rebuttals, this spirit can still have influence and access to your life. If before you came to Jesus you lived a life of sin in sexual immorality of any kind then you have one or some.

If you have had a succubus or incubus dream where someone male or female or something comes and defiles you, wants to get intimate with you via kiss or touch, or sleeps with you in a dream then you definitely have one. Jesus said to me, in His mercy, He can take on this battle for some of us and he doesn't make us aware of what is going on spiritually. So you may have these spirits influencing and affecting your marriage and not experienced anything.

I never experienced any of these things until I gave my life to Jesus. Before I had only one dream like that in my adolescence but beyond that I didn't. I would've never known if it wasn't for the mercy of God to reveal those things in the spirit that have been hidden from me by the demons.

You see demons love to stay hidden, if they can oppress, possess and influence a soul without being recognized that is their ultimate goal. Just like Satan's desire that all the world would see him as a figment of imagination, not a real creature who is a fallen angel with wicked intentions fighting humanity for its soul to be damned along with him.

Of course, he wouldn't want that to be revealed why? Revelation brings a person power to do something about what they have received. When Satan, his minions, and his influence in your life stay hidden then he has full reign to do with you as he pleases, to continue to steal from you, frustrate you, oppress you, take your happiness and joy, and keep you in bondage.

Furthermore, you become his prisoner. If a soldier doesn't recognize that he is in battle, walks into enemy territory, and gets captured but doesn't see the bullets flying, doesn't see his opponent, and doesn't see the prison walls that he is sitting in as a prisoner of war then you can keep this soldier enslaved and injured with whatever idea or suggestion as long as he doesn't know the truth.

A soul tie as an invisible chain that binds you to another person spiritually, mentally, and physically or I would like to say sexually, emotionally, and metaphysically

Can be found in scripture when Jonathan and David's souls were knitted together.

1 Samuel 18:1

And it came to pass, when he had made an end of speaking unto Saul, that the soul of Jonathan was knit with the soul of David, and Jonathan loved him as his own soul.

It says that Jonathan loved David like his own soul. A soul tie can be divinely appointed or it can be demonically appointed.

Jesus said” A soul tie deals with the will, mind, and emotions”. Suppose it's a negative soul tie you are constantly succumbing to do that person's will. In that case, you're constantly manipulated in your mind by their suggestions or words they have spoken over you or what they tell you, and they can rule your emotions but what they do or don't do.

It's toxic and sometimes you can have that in your family and many times we all incur that in relationships with a soul that is wounded. You wound one another soul and you walk away more damaged than healed and strengthened.

## EMOTIONAL SOUL TIES:

So let's say in your marriage your spouse is always more prone to listen to their parents than you. Your husband always running to his mom for advice and values her advice more than yours or your wife always listening to the council of her mother than you. If you see your in-laws in bringing negative fruit into your marriage because of the connection they have with your spouse than that soul tie must be severed

Also if you grew up in a dysfunctional home and you constantly received negative affirmations, negative words spoken over you that you are worthless, your stupid, you wouldn't amount to anything your not pretty enough and its now affecting you in your life as the words replay on auto pilot in your mind and that has shaped your identity you must sever the soul tie of that person from you.

Another emotional soul tie can be of an ex that you have that keeps showing up in your dreams, or you find yourself thinking of them from time to time, missing them and if you guys were never intimate this is an emotional soul tie that needs to be severed. It can be in friendships too that are not fruitful in nature maybe there was someone you befriended who always talked down on you, belittled you, was jealous towards you and your friendship has ended but you find your still crippled by the things they said, or their actions. It replays in your mind or even in your dreams. You must sever that soul tie

## METAPHYSICAL SOUL TIES:

Then there is the metaphysical soul tie. Metaphysical connection with someone means is a strong pull towards that person that is beyond physical.

Jesus to Mother Clare said in a message about spiritual warfare that demons can project electromagnetic energy to insight temptation to lust, arousal, and stimulation of any kind. So that is why you can meet someone and immediately be drawn to them and that is how many affairs start.

Or you plan on meeting up with someone from your past or you once had a connection with you tell yourself that nothing will happen and then you find yourselves touching one another, or making out because as you sat with that person you had a strong desire and acted on impulse. Hence the word "impulse". It was an electromagnetic project that gave you that impulse and sensation from the demons in your body to make you desire that person or so strongly drawn to them to make you fall

So this soul tie doesn't have to be sexual, but there is an energy exchange between you. When you can meet someone and you connect with them on a deep level. You have the same energy and desires. You feel something when they are around or your heart jumps when you see them or think of them.

So you may not have been physical with this person however now in your marriage or even in your single life you can't seem to get them off your mind. It could be a co-worker or colleague and there is a strong pull towards them that you know can

So you may not have been physical with this person however now in your marriage or even in your single life you can't seem to get them off your mind.

It could be a co-worker or colleague and there is a strong pull towards them that you know can possibly even turn to lust. It's important you sever the metaphysical soul tie.

Lastly, there are sexual soul ties with every person you become intimate with or have engaged in any sexual immoral act outside of the marriage bed. You immediately form a soul tie with that person that is why the Lord says any sin of sexual immorality is a sin against your own body because your body is meant to be for the Lord

1 Corinthians 6:18, a temple of purity and monogamy only to God kept in purity until you are given to marriage. This will lead me to the next point about spiritual husbands and wives.

When the Lord was drawing my spouse and I together before we got married, we discussed our past and through conversatio I was given names of people he had a connection with in one way or the other, emotionally or otherwise.

The Lord had me write down all the names and began to break the soul ties of these people off my spouse as I mentioned them each by name and then I was told to also break the metaphysical soul ties. So I broke the emotional, metaphysicall and sexual soul ties of these people and ask the Lord to remove them one by one and He did!

That is how I was able to get married, but even after marriage, I had to say this prayer daily because the enemy will use people from your past to bring temptations to you and your spouse.

You can do this not only for yourself but even for your spouse. You don't have to know all the names or even any, but you have authority over your spouse's body because you are one flesh.

So you want to pray and ask the Lord to break every metaphysical, emotional, and sexual soul tie you and your spouse have. If you know names mention the names of the people and ask the Lord to knit your souls together like Jonathan and David that your spouse would love you alone as if your soul was theirs.

You can say that , it is powerful and it is scriptural!

# Prayer To Break Soul Ties

You want to first spend some time with the Holy Spirit and write down the names of the people whom you have a soul tie with. Whether its an emotional or sexual soul tie write them down by name on paper.

Father in the name of Jesus I confess all of my sins and that of my family's sins of fornication, homosexuality, lesbianism, adultery, sexual abuse, incest, perversion of any kind, bestiality, masturbation, pornography, pedophilia, and witchcraft (mention any other sins Holy Spirt brings to mind) . I repent and I ask for forgiveness.

I release and renounce myself from all unprofitable relationships in the name of Jesus.

I break every metaphysical, emotional, and sexual soul tie with: (mention the names of those you wrote down one by one.)

I wash them away with the blood of Jesus.

I come against the dark powers that have manipulated my life and my marriage and I break their powers over my life and my spouse's life (mention your spouse's name), in the name of Jesus.

I renounce all hidden evil soul-ties, in the name of Jesus. I renounce, break, and loose myself from all demonic subjection to any relationship, in the name of Jesus.

I bind all demonic authorities which motivate and control my relationships and I break their authority and power over me and my spouse (mention your spouse's name), in the name of Jesus.

I command all evil 'remote controllers' to loose their hold upon my life and my marriage

I release myself from the hold of every bewitched relationship, in the name of Jesus.

I break every ungodly relationship, in the name of Jesus.  
I remove all mind-controlling manipulations between me, my spouse (mention their name) ,my friends or family members, in the name of Jesus.

I claim deliverance from any negative affirmations, word curses, vows, and inner vows made against me and my spouse (mention their name) , in the name of Jesus.

Lord Jesus, I give you my soul to be knitted perfectly with the Holy Spirit and that of my spouse (mention name) as I pray their soul to be knitted perfectly and only with the Holy Spirit and with me (mention your name) in Jesus name.

I Praise you Lord for answered prayer

## Routing Out The Demon Asmodeus

Before I got married the Lord brought me to Zambia on a mission trip. On the mission trip in Zambia, I had a demonic attack—a very strong demonic encounter. It was the second day [after] I arrived.

It felt like a man just laid on top of me. I was on my belly on the bed, and it felt so real—like a man just plopped himself on top of me, and I could feel his breath on the left side of my cheek and everything. I was terrified. I couldn't move—I had sleep paralysis.

The only people in the house with me was a pastor and his wife. I thought to myself, 'Oh my gosh, I can't believe this is a pastor trying to take advantage of me'. That's how real it felt—until I was able to release myself and I recognized, wait, that was in the spirit. I opened my eyes—I looked around, and nobody was there.

So I just began to pray—praying. I could hear the pastor and the male pastor in the other room praying. I was just interceding and praying.

The Lord gave me a revelation concerning what that was. He said it was a spiritual husband that I needed to pray against and that I had been initiated into witchcraft to the king of the sea in Zambia

I remember thinking, What is this for real?? ‘Lord, why Zambia at all places being that I am Ghanaian?’ Because when the Lord called me to Zambia, I didn't understand why He had me go there on my first mission trip and the significance of it. I had been engaged and the engagement was broken off and the Lord revealed there was much witchcraft fighting my marriage.

And now as a missionary, I needed to be patient because he was going to restore our engagement and even marriage, but I had to break this covenant with this spiritual husband that was stopping me from getting married for so long. I was 37 at the time.

The Holy Spirit told me to do a Holy Communion service for 7 days to make an offering of my marriage to the Lord, using the Blood of Jesus — to break this covenant and the curse over my marriage and my former fiancée, that had stopped us from getting married.

Unbeknownst to me I would meet him 4 months later after 3 years of not seeing one another and he proposed within 3 days and we were married that weekend! So this is real and God is faithful!

When I started listening to Pastor James Kawayla  
<https://jameskawalyaministries.org>.

I heard his powerful testimony, and he shared about how he was converted out of witchcraft after being married to a 60 year old high-ranking witch since his birth.

When he was in Christ, he was so excited to get married, and before then, every girl that he ever dated when he was in witchcraft—all died.

Now that he was married and in Christ, he thought for sure, he was set free; he was liberated; he wasn't even thinking about that until his fiancée, at the time who was preparing for the wedding which was in 10 days had a vision or a dream of this old woman attacking her.

In the dream, he hit her in the head with a club, and then the same night he had the dream of this old woman coming to attack him.

He said he just woke up disregarded the dream and just pleaded the blood of Jesus. That very day, his fiancée then had a headache. She went to the hospital and died, and he was so angry at God and didn't fully understand why the Lord allowed this to happen.

He knew the powers he had served and that they were in no way comparison to the powers of God. He didn't understand why the Lord permitted this, especially as a believer. He thought he was untouchable because he was in Christ, and so he had to go through the process of understanding deliverance.

I love what he said: “That salvation is free, but deliverance will cost you”

As a Christian in Christ, some things are going to cost you. One of them is intimacy, and another is deliverance.

It's going to cost you consecration. If you want to be delivered and set free, it is going to cost

Consecration means to be set apart for sacred use. You have to consecrate yourself to the Lord. You can't do certain things that you used to do or do things that other Christians do.

As Christians individually we each have a unique purpose and that's the reason others may not have the same battles that you have in your marriage, but the battles that you have are very important and very intentional because The very thing that you battle, is the very thing that you're called to overcome, and you will overcome.

Once you overcome, God is going to use you to bring freedom, liberation, and deliverance to others. To teach them how to overcome the very things that you were battling. so at that point, he took him through a long process of just deliverance.

Pastor James Kawayla after being saved and doing ministry still needed deliverance.

When he was born, his umbilical cord was buried somewhere in Tanzania through a witchcraft covenant. Every year when he was in witchcraft he had to go to Tanzania to pray.

So during a deliverance conference, he fasted and prayed for 14 days. At the end of the conference he manifested as they prayed for him for 2 hours then Holy Spirit had him reach into his pocket and guess what?

He pulled out his umbilical cord, crazy right? And it was after that moment that he could finally get married.

It's important as a Christian to know your spouse is not your enemy and if you guys are having a difficult time there are several spiritual forces working against your marriage. Fight right! So routing out this demon influence in your life and family will help the rest of the prayers be more effective without opposition!

# Taking Authority Over The Demon Asmodeus, Who is he

The book of Tobit is found in the Apocrypha.

Tobit and Sara, story teaches how to pray for those battling in their marriage, battling delays in marriage, battling sexual influence, discontent or dissatisfaction in their marriage, death or decay in any area of their marriage, perverse influence, succubus and incubus influence, bareness in their marriage should take authority over this ancient demon and spirit!

Tobit 3:7-8

“On the same day in Ecbatana of Media, Sarah, Raguel’s daughter, also heard insults from one of her father’s female servants.

8 Sarah had been given in marriage to seven husbands; and Asmodeus, an evil demon, killed them before they could lie with her as newlyweds do.[a] And so the female servant said to her, “You are the one who keeps killing your husbands! See, you have already been given to seven husbands, and you haven’t carried the name of any of them.”

Sarah was Raguel only daughter and had a marriage issue. Every suitor that came to marry her was given to her but killed the night of their marriage. The wicked demon Asmodeus killed each of Sarah's husbands before they could consummate their union

In Tobit 7:11 it says it was decreed from heaven that Sarah was to be given to Tobit.

It's very important who you marry. That you are marrying the spouse that is the perfect will of God for you. God desires to choose your spouse, if you would wait on Him to make it clear whom he has hand-picked for you. It is for a purpose when he puts two souls together, a kingdom eternal purpose.

If you are already married and your reading this book that means the Holy Spirit led you here to fight for your marriage, to fight for your spouse.

The covenant of marriage is meant to be put together by God YOUR marriage was put together by the Lord. It had been decreed already from heaven that you are made for one another, that you are meant to marry each other for God's glory

# The demon of Asmodeus is an ancient demon sent to destroy marriages.

1. He causes delays in marriages
2. He causes bareness
3. He causes death in marriages spiritually and physically
4. He causes suitors to run off, so one may be close to getting married, but their relationship never lasts or leads to marriage
5. He causes shame, reproach, and disdain from others on a soul waiting to get married
6. He causes sexual issues in marriage such as perversion, infidelity, pornography, lustful desire or thoughts for another than your spouse, dryness, and discontent in intimacy in marriage, causes sexual dreams and initiations in marriage, causes impotence in marriage, unnatural sexual drive and thirst

Before you take authority its important for you to recognize any sins, habits, or family cycles or anything the Holy Spirit reveals in your bloodline that gives him access.

1 Corinthians 6:9-10

Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites, 10 nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of God.

Repent of:

Fornication, Adultery, Homosexuality, Perversion, Beastility,

Covetousness, Sexual abuse, Incest

Masturbation, Pornography etc

# Rout him Out!

Tobit 8 :1-4

“When they had all finished eating and drinking, they wanted to go to bed. So the bride’s parents led the young man away and brought him into the bride’s bedroom. <sup>2</sup> Tobias remembered Raphael’s words. He took the fish’s liver and heart out of his bag and laid them upon the warm incense coals. <sup>3</sup> The odor from the fish drove off the demon, and he sped off to the region of Egypt. Raphael went after the demon, bound him there hand and foot, and immediately put him in chains.

<sup>4</sup> Then the parents left and shut the door of the bedroom. Tobias got up from the bed and said to Sarah, “Get up, my sister! Let’s pray and beg our Lord to show us mercy and give us deliverance.”

In Tobit chapter 6 a fish came to devour his foot, but his companion was (Arch Angel Raphael) was with him and told him to grab the fish and catch it. Then take out the fish's liver and heart and put it on the embers of the incense during the night he is with Sarah.

So on their wedding night, he did that and the odor of the fish so repelled the demon that he fled to the remotest parts of Egypt but Arch Angel Raphael flowed him and at once bound him there hand and foot

1. Take authority over this demon and bind it. Asking Arch angel Raphael to bind it hand and foot over your marriage
2. Rout him out of your life, out of your spouse's life, and out of your marriage and send him to the remotest part of the pit of hell. His back ups, reinforcements, and leaders who sent him
3. Bind his influence and destroy his works it with Holy fire over the areas of your marriage you recognize he is attacking
4. Destroy his works and influence over your bloodline and that of your spouse. If he has access to your marriage that means it's generational, He has been there for a long time and has been given legal access in your marriage. So you cleanse your bloodline and that of your spouses with the blood of Jesus
5. Command him never to return again.  
Ask for the odor of heaven to come down and consume your bedroom and your marriage bed.
6. For those waiting to get married bind his influence and him over your intended spouses. Remove every distraction, relationship, obstacle, or hindrance in your spouse's life that stops them from finding you. Ask the Lord for a helper to locate your intended spouse to help them on the journey to finding you.

5. After you remove this demon and his influence begin speaking over your marriage and your spouse. God's word, decree and declare fruitfulness, purity, restoration, healing et

If your waiting to get married began to decree what is already in heaven, for your spouse to find you now without delay and without interference or confusion!

6. I pray for those waiting for marriages that the demon Asmodeus influence would be bound over their lives and their intended spouses. Lord remove every distraction, relationship, obstacle, hindrance, and soul tie in their spouse's life that stops them from finding them or being found.

Ask the Lord to send divine helpers to locate their intended spouses to help them on the journey to finding one another. I decree what has already been declared in heaven that my spouse would locate me now without delay, without interference or confusion in Jesus name!

# Prayer To Rout Demon Asmodeus

Father, I come before you in great humility and thanksgiving that you reveal to redeem. You have revealed there are some demonic cycles in my life and generational curses from my family.

Deuteronomy 7:9 Therefore know that the Lord your God, He is God, the faithful God who keeps covenant and mercy for a thousand generations with those who love Him and keep His commandments;

So Lord please remember your covenant with me as I come before you repenting of sins committed by me, by my family, and by my bloodline.

I repent of fornication, Adultery, Homosexuality, Lesbianism, Perversion & Bestiality, Covetousness, Sexual abuse, Murder, Abortion, pornography, covetousness, masturbation, Incest, pedophilia, rebellion, witchcraft, manipulation (mention anything else you know runs in your family, your spouses family or sin committed)

Father, I come before you in great humility and I repent and renounce all of these things on behalf of myself, my spouse, and our families. I now ask you to rout out the demon Asmodeus out of our lives and out of our marriage in Jesus name.

I take authority over the demon, Asmodeus and I call upon Arch Angel Raphael to bind him hand and foot over my marriage and command him to be sent to the remote pits of hell with his back up, reinforcements, and leaders that sent him in Jesus name never to return again.

I rout him out of my life, out of my spouse's life and out of our marriage. (Begin to rout him out of the areas where he has been attacking your marriage...)

I Bind your influence and destroy your works with holy fire over the areas of my marriages ( mention them by name). I destroy all your works, and your influence over our bloodline (mention your family name and your spouses family name)

I ask for the odor of heaven to come down and consume my/our bedroom and my/our marriage bed cleansing any defilement and every bed that was defiled in my youth and in my spouse's youth.

I command holy fire to consume with it, the soul tie, the memory, and any trauma attached to it in Jesus name. May this gate not be used anymore to gain access to me or my spouse in the mighty name of Jesus!

I pray for those waiting for marriages that the demon Asmodeus influence would be bound over their lives and their intended spouses. Lord remove every distraction, relationship, obstacle, hindrance, and soul tie in their spouse's life that stops them from finding their spouse or being found.

I ask Lord you would send divine helpers to locate their intended spouses to help the on the journey to finding one another. I decree what has already been declared in heaven that my spouse would locate me now without delay, without interference or confusion in Jesus name!

(Now begin to speak over your marriage and spouse. Decree what you want to see ie fruitfulness, purity, restoration, healing, etc.)

# The Prayer Of Tobit & Sarah

(PRAY THIS WITH YOUR SPOUSE OR FOR YOUR FUTURE SPOUSE)

“Implore the Lord that he grant us safety and mercy.

Blessed are you, O God of our ancestors, and blessed is your name in all generations forever.

Let the heavens and the whole creation bless you forever. You made Adam, and for him, you made his wife Eve as a helper and support. From the two of them, the human race has sprung.

You said, “It is not good that the man should be alone, let us make a helper for him like himself. I now am taking (name of spouse) this spouse of mine not because of lust but with sincerity. Grant that she/he and I may find mercy and that we may grow old together. In Jesus name Amen”

# Spirit Husband/Spirit Wife

The traces of a spiritual wife and spiritual husband are the same as the demon Asmodeus, He is the demon that leads them all. He is the strongman for their strong hold. If you guys understand what a strongman is he is a bodyguard to all the other lesser demons.

Meaning that it was important for the Lord to make us aware of who Asmodeus is, to rout him out. Which breaks his stronghold then you are able to deal with any spiritual husbands or wives that you have.

Matthew 12:29 For who is powerful enough to enter the house of a strong man and plunder his goods? Only someone even stronger—someone who could tie him up and then plunder his house.

So the Lord is calling is us to use our authority and strength in him to tie the strongman and then plunder his house. Meaning taking back what has been stolen from us, taking back territory in our lives and that of our families amen!

As I mentioned The traces of a spiritual husband and wife are the same as the influence of Asmodeus. They delay marriages, bareness, and death in marriages spiritually. For instance, if your spouse has no desire or ambition not only in life but in their spiritual life, is very lackadaisical about things, and can't keep a job, there is really no fruit in their life.

They feel like dead weight, these frustrations you have noticed in your spouse's character may not be entirely their fault, but they may be oppressed by these demonic spirits. Also of course, if there is premature death, these may be all signs of a possible spirit husband/ or wife sabotaging you.

They are jealous and want you all to themselves because of the covenant that has been made. They can cause suitors to run off, so you can be close in getting into a relationship with someone but it never leads to marriage and relationships don't last.

They cause torment in dreams, harass you constantly with nightmares, replaying memories from the past of old wounds you incurred in a former relationship making you fearful of marriage.

They can cause sexual issues in marriage such as perversion, infidelity, pornography, lustful desire or thoughts for another than your spouse, dryness and discontent in intimacy in marriage, causes sexual dreams and initiations in marriage, causes impotency in marriage, unnatural sexual drive and thirst.

So how do these spirits get access into your life. The #1 way is through any sin of sexual immorality. That can be fornication, adultery, sexual abuses, incest, perversion of any kind, bestiality, masturbation and witchcraft.

If you yourself have not committed any of these sins, like Sarah in Tobit, her father was a righteous man so I am sure so was she but it was something generational in her family line that caused this demon to have legal access to her. A curse even may have been placed upon her

So it could be through curses that you were given this spiritual wife or husband so it is very important that now as a Christian you go back to any past relationship that you had with anyone whom you cheated on, or treated badly and ask for forgiveness and pray for them to forgive you as well.

Then break any negative curse words they may have spoken over you, over your future and your marriage. You know the saying hell has no fury like a woman scorn.”

So a woman or man who is not in Christ can easily say the worst things about you to scorn because of how you treated them in a former relationship. Old wounded ex-girlfriends and boyfriends could have wicked intentions and take your name before a demonic altar to cast a spell or curse you.

It's important you do that and ask the Lord to show you if there is anyone in your past whom you need to reach out to and anyone who has done such a thing towards you to break that curse/spell and ask the Lord to heal their hearts so they can truly forgive you.

If you haven't committed any of these sins personally then it can be through witchcraft. As Pastor James made it clear in his testimony he was given into marriage from the day he was born to a witch.

Some of us have no idea what kind of evil covenants were made in our families. I found out it was through a great, great, great grandfather made a pact with ancestral spirit to exchange all the marriages in our family for power.

So there is a demonic covenant that was made years ago, maybe hundreds of years ago and this spirit was the demon Asmedoues accompanied by all the spiritual husbands and a spiritual wife because of my own personal sins and sins in my bloodline.

My goodness if it wasn't for the mercy of God I should've gotten married or even had a fruitful marriage but I will by the Grace of God!

This was all given to me by revelation through time. So there are covenants that have been made in your family that can give a spirit wife and husband access to you. You see as angels are assigned to you when you are born.

The Holy Spirit brought it to my mind that spiritual husbands and wives are assigned to us too if there is a demonic ancestral covenant in your family. They marry us off sometimes even before we were born!

Some are given to a generation in a family to torment and to fulfill the binding covenant they have whether no one in the family gets married, or no marriages last after 20 years, or by the age of 40 all the men have a state of restlessness and commit adultery.

I really believe that is what is affecting so many marriages now in our generation. We have given it the name "mid-life crisis". No! It's a mid-life demonic assignment on marriage causing men and women to be discontent, restless, and covetous after the age of 40 or 50 in marriages or after 10 years of marriage so they cheat or leave their spouses. This all has traces of the working of the demon Asmodeus and the spiritual husband and wives that come with him.

So that is why it's so important to seek the Lord, to ask the Holy Spirit to reveal to what what's in your bloodline and to bring anything hidden out into plain sight Luke 8:17.

That is a prayer point the Lord put on my heart last week during our marriage prayer meeting and wow did I begin to have dreams.

It was a very pleasant peaceful dream where I called him my husband's name. We then began to run arm in arm together but after waking up I realized wait that wasn't my husband, he didn't look like him. I thought oh wow Lord you revealed another spiritual husband.

If it's a random person whom you are being intimate with, or touching intimately or you call them your spouse's name in the dream but they don't look like your spouse, or you can even be married to someone else in a dream or being married off to someone these are all signs that is a spiritual husband/wife.

If you are about to be married in a dream to someone else you immediately want to break any witchcraft covenants that have been done against you. I had one such dream and I didn't realize I was to do anything about it. I was being married to someone else and in the dream my real husband was so sad as he watched me be prepared to marry someone else and I felt his sadness as I said wait I am supposed to be marrying him instead.

When I woke up I did a sigh of relief realizing oh it's just a dream and my real husband was lying next to me but now I realize that was a spiritual marriage be prepared in the spirit that I needed to break right away.

So that is why it's so important to seek the Lord, to ask the Holy Spirit to reveal to what what's in your bloodline and to bring anything hidden out into plain sight Luke 8:17.

That is a prayer point the Lord put on my heart last week during our marriage prayer meeting and wow did I begin to have dreams.

Lastly, if you made a pact or even a word pact with a former ex you would marry them, or phrases like, “you can’t live without one another”. These can form soul ties that need to be severed.

One example the Lord revealed to me that I not only had a soul tie but a spiritual husband from an ex of mine whom I dated when I was in the world right before I gave my life to Jesus and before I met my now husband. We had talked about marriage several times and at his birthday party, his friend poured alcohol on our heads and on the floor as he said that nothing successful would go right in his life if he didn't marry me. That I was his wife and he was my husband. I laughed it off because we were partying for his birthday not realizing the spiritual implications.

He would constantly show up in my dreams all the time. That I was about to marry him and be with him, and even after meeting my husband during our engagement I had so many dreams about being with my ex instead.

So this was not only a soul tie but a spiritual husband who was using the face of my ex. When this happens it is a demon, but it is being revealed to you where the source came from. It was through my ex that this spiritual husband came not only because I lived in sin but I also agreed to a pact.

# How To Divorce A Spirit Husband /Wife

Now how do you get rid of them. First by repenting for the sins you have personally committed that opened the doors, repenting for the sins of your family and bloodline if you see a cycle in any of these things I mentioned. You can also repent on your spouse's, your fiancé's behalf and even pray for your future spouse I strongly encourage you too.

That is what the Lord had me do for five years really interceding on fiance's behalf who became my husband and doing warfare prayers, breaking curses, and renouncing soul ties on his behalf and mine before we were able to get married.

Again the Lord reveals to redeem. So I encourage each of you to seek the Lord. Ask him to show you cycles in your family and bloodline.

Ask him to reveal to you anything hidden in the spirit should be brought to plain sight and if you haven't committed any personal sin of sexual immorality ask him to show you if there have been any witchcraft covenants made against you or your future marriage by the way of a spiritual husband or wife so you can deal with these demonic spirits now and so they don't affect your marriage later.

You must renounce the soul ties first then give each spiritual wife or husband a divorce decree to break the covenant you have made with them in the spirit and destroy the altar in which this demonic covenant was made.

# Prayer Of Divorce Over Every Spiritual Husband Or Wife

Jesus gave instructions on how to be liberated from spiritual husbands and wives.

“Now you want to declare a divorce decree after praying against the demon Asmodeus, he is the stronghold, the principality that leads them all.

Once you have commanded him out of your life and that of your spouses with the prayer I gave you. Then declare a divorce decree on every spiritual husband and wife that you have.

Those known and unknown. Sever and destroy the marriage covenant you made with them, with my blood and send Holy fire to destroy every demonic marriage certificate that has been made.

Declare that you are married only to the one whom God has given you and say your spouse's full name and cover your marriage and union with my blood.”

-Jesus

In the name of Jesus, I declare a divorce decree over every spiritual husband and wife that I am in covenant with, those known and unknown.

May every demonic alter where the ceremonies took place be broken into pieces like Dagon was broken when the Ark of the Covenant came and may it be consumed with Holy Fire along with every charm, effigy, trinket, picture, or representation used of me and of my spouses (mention them by name)

I sever and destroy every demonic, spiritual marriage certificate in the name of Jesus of Nazareth. May it be located and consumed right now with Holy Fire.

I destroy every spiritual marriage covenant with the blood of Jesus.

I Declare that I am married only to the one whom God has given me (mention your spouse's name) and I cover our marriage and union with the blood of Jesus.

What God has put together may not man put asunder in Jesus' name  
I pray amen!

Lord, I pray that you go before him to make the crooked paths straight, may you break in pieces the bronze gates and shatter the bars of iron that would try to hinder him or keep him in bondage.

May you give him the treasures of darkness and the hidden riches of the secret place so that he may know that you are the Lord who calls him by name.

Strengthen him, Lord, may he come to know your ways. Raise him up in righteousness and direct all his ways.

May he build your kingdom and use him to let the captives go free neither for gain or reward in Jesus name!

# Prayer To Know God's Love

Ephesians 3

For this reason, we bow our knee before you, Father of my Lord Jesus Christ grant us the rich treasure of your glory to be strengthened with mighty power in our inner man by the Holy Spirit indwelling within us.

That through faith in Christ may dwell in our hearts. Help us to be rooted deep in your love and founded securely on love. That we may have the power to grasp with all the saints to experience that love.

What is the breadth, length, height, and depth to experience practically for ourselves the love of Christ.

I pray that we may be filled in our whole being the fullness of God. Now to you who by power is working in us and able to carry superabundantly far over and above all that we ask or think.

May they not even go near the door of their house or allow their strange speech to fill them with strength.

Lord, help my spouse not to depart from your word or hate your discipline or reproof.

May they incline their ears to your instructions in Jesus name. May they follow in the footsteps of their Heavenly Father in holiness, righteousness, peace, and joy.

Father, I pray that you would bless me to be a fountain, a cistern, a wellspring for my husband alone. May he not go anywhere else to drink. May he always rejoice in me, the wife of his youth.

Grace me to be a lovely dear, a graceful doe in all that I do towards him. Let my bosom fill him at all times with delight. May it be where he always chooses to rest his head, Lord. May he be always intoxicated in my love and never another.

May his ways be before your eyes and may you ponder his path leading him to righteousness and godliness.

Lord make my husband a man of discipline so that he may never be led astray. May his heart and love be yours alone. I pray all of these things in Jesus name Amen!

# Prayer To Have Righteous Friends

Proverbs 12:26, Proverbs 13:20, Proverbs 27:17

Father in the name of Jesus I pray for my spouse, would be surrounded by righteous friends. Just as you gave Jonathan to David and Ruth to Naomi I pray you would gift my spouse with that same grace and a friend that would be closer than a brother.

Lord, I ask you to bring a divine friendship. A wise person, who will sharpen my spouse with the word. Who will stick closer than brother and even share their burdens.

Lord give my spouse discernment to choose carefully his friends. May he not be found in the council of the ungodly. Remove those relationships in their life that will lead them to destruction.

Thank you for gifting them with a divine friendship that will call out their integrity, hold them accountable, love them and their family and always lead them to your presence and word in Jesus name!

# Prayer To Live Strictly For Jesus Lord

Lord save us from compromise. We aren't strong enough to come against the standard of this world, to stand up for you. Many times we're too little, we're too cowardly, we're just not strong enough, but you live in us Lord you can do all things through us.

You can make my spouse and I live strictly for you. We ask you Lord for this, accompanied with understanding and grace and we will change. That we would have the will to change.

That we may give you no more grief and your church can grow into the body and Holy sanctuary you ordained it to be for all ages against every influence of man with the triumph of the Holy Spirit Amen.

# Prayer To Honor Your Spouse

Lord give me a greater love and respect for my spouse. Show me where I am prideful and insistent in my ways. Show me where I need to learn to yield.

Put it in my heart Lord so I can be honest when I have been selfish and needed my spouse's input and covering. Lord, I beg you to change me and show me how I am stifling my spouse and overshadowing him.

Please help me to really seek out the opinion of my spouse on everything and follow it. Help me to make them feel day after day that their preference matters and that it's important to me.

Help me to compliment them frequently and sincerely on their appearance and wisdom.

Help me to let them know and feel that they are appreciated and use words of endearment like "Honey would you please".

Help me to notice the little things I take for granted that they do for me to let me know they care and let me always compliment them for that. Amen

# Prayer Against Evil Suggestions

Depart from us you unclean spirit, who puts on shame, miserable one; horrible unclean spirit you are who brings such things to mine ears. Depart from me!

You detestable deceiver you shall not have no part in me or my marriage, but Jesus shall be with me as a strong warrior and you shall stand confounded.

Rather would I die and bear all suffering than consent unto you. Hold your peace and be dumb, I will not hear you anymore though you plot more snares against me and my marriage.

The Lord is my light and my salvation whom then shall I fear? Though a host of men should rise up against me, yet shall not my heart be afraid. The Lord is my strength and Redeemer!

# Prayer To Be Like Christ In Your Marriage

Lord help me to be Jesus in this marriage to make it work. Help me to lay down my will and allow my spouse to make mistakes without ever using it against him.

Help me to listen like Jesus would listen. Help me to confess my errors and errors of the past. Help me to walk away when things get too heated without using threats of doing something stupid, but with a simple confession to cool things off.

Help me to always run to you to show me where I was wrong and when my spouse was right. Help me always to humbly apologize when I make a mistake in Jesus name!

# Foundation Of Purity Prayer

God, help us both to communicate with more compassion and honor. Forgive me for not listening to my spouse and respecting them well.

Help me to listen better. Help me to communicate with my spouse in a way that brings clarity and trust. We need you to help us connect in a genuine way.

Help me to recognize sins in my life that have affected purity in this union. I want to know you Jesus in a deeper way and surrender to the laws you have established for my marriage to succeed in your name I pray. Amen

# Prayer For Your Spouse Not To Be Double Minded

Isaiah 30:13

Father I pray my spouse (mention name) wouldn't be a person who confesses you with their lips, but their heart is far from you. Break down any pride that shows itself as wisdom.

May they not hide their plans from you and may all that they do in the dark be turned upside down and brought to the light.

May they yield to the potter's hand and humble them Lord that they may rejoice in you in Jesus name I pray. Amen!

# Prayer To Confess Your Sins One To Another

Heavenly Father, thank you for blessing me with a spouse who is open, honest, and transparent.

A man/woman of strong Godly conviction.

A man/woman who is always willing to confess their sins before me.

Whether it be the thoughts in their mind, in their heart and in their actions. May we both be quick to confess our sins to each other and pray for one another earnestly that we may be healed.

Lord, I pray you would make it uncomfortable for us to hide secrets from each other. You are God in the midst of us, we will not be shaken or moved.

For you are our help, the Lord of host is with us. The God of Abraham, Isaac and Jacob and you are the God of (mention spouse name) and I.

May we continuously declare your works Lord remembering all that you have done. So that we don't fall into anxiety or restlessness, but may we always be still and know that "I AM" is with us.

May you be exalted in our lives, exalted among your people, exalted in the earth, and exalted among our enemies. For you Lord Jesus, we have made our refuge and strength in your name I pray. Amen!

# When You Fall, An Apology Letter To Jesus

Lord, my sweet Jesus I am so sorry for hurting you. I am sorry for not trusting you, doubting your promise, and ultimately your goodness.

I'm sorry for continuously thinking of myself, feeling entitled, and when things didn't go the way I planned walking in anger, frustration, resentment, and bitterness.

Forgive me for not taking your words seriously. Forgive me for speaking against your body and scourging you when I spoke against others.

Forgive me for fighting with my spouse which in turn is fighting against you. Please forgive me for hurting you so deeply in this way.

Oh, how I want to feel the depth of your pain so I may appreciate the gift of tears.

Give me a contrite heart Lord for my offenses towards you and my spouse.

Help me to sin no more and come to taste and appreciate the sweetness of the hidden life.

# Prayer For Your Spouse To Live In The Light of Christ

Father in the name of Jesus give (mention spouse's full name) a clean heart, one that is filled with the will of God. Remove any inordinate desires, affections, or motives.

Heal their heart from all the betrayals they have incurred and remove every seed of bitterness or revenge. No longer let them be the enemy's fool, but rather a woman/man who is wise and discerning of the enemy's wiles and devices.

Give them the grace to resist every temptation and submit to You so that the devil may flee.

Lord let my spouse be a woman/man of integrity and honesty in all their dealings.

Father make their heart sensitive to yours. Give them your heart that they would be so easily convicted and pricked in their conscience by what they watch, what they listen to, what they say, and what they do.

May the words of their mouth and meditations of their heart be pleasing to you. Father by your mercy break every curse of death off (mentions your spouse's full name), off their life, off their destiny, and off this marriage.

Stop them in their tracks Lord when they are committing sin, illuminate them, convict them, and lead them into repentance. Don't let them get away with anything Lord by your mercy.

Judge them here on earth severely so that they may serve you more perfectly.

Father, please give (mention your spouse's full name) the will and the grace to no longer be enticed by adulterous women who desire their time, attention, and money.

Let them flee from their words and all that they say and do be like a bitter pill unto them. Continue to expose in their life anything that is done in the dark bring it into the light.

That they may become a woman/man that lives in the light of your truth, that is the light of the world and the salt of the earth.

Help them Lord and Help me to be patient, confident in your ability to come to my defense in this marriage time and time again when Satan seeks to devour it.

Help me bear all things with greater humility and build my spouse as the woman/man you have created them to be

Lord help us in this hour of trial and sifting to fear you and you alone and to love you with all of our hearts, all our minds, and all of our strength in Jesus name!

# Prayer, Lord Guide Me in My Relationships

Lord, I lift every one of my relationships to You, and ask You to bless them. I pray that each one would be Glorifying to You. Help me to— choose my friends wisely, so I won't be led astray.

Give me discernment, and strength to separate myself from anyone— who is not a good influence in my life, my marriage or my family. I release all my relationships to You and pray that Your will be done in each of them.

With my most difficult relationship, I ask that Your peace would reign in them. Specifically, I lift up to my relationship with (Name a difficult friend, person or spouse).

know two can't walk together unless they agree (Amos 3:3), so help us to find a place of agreement, unity, and like-mindedness.

Where either of us needs to change, I pray that You would change us. Break down any “walls of separation” (Ephesians 2:13-15) or misunderstanding.

I release this person in Your hands and ask that You would make our relationship— what You want it to be so that, it will glorify You. Amen!

# Prayer to Annihilate Evil Encroachment

You see, encroachment is an intrusion on a person's territory or rights. The Lord allows suffering and uses the demons as his policemen to train us in warfare and even sanctify us. However, many times the demons know when souls are carrying a cross willingly for Jesus. They will take it a step further by going past the boundaries that are permitted by God and that is when we can declare the Law of Encroachment. Because the demons are dogs on a chain and if we give them room, they will take it a lot further to bring such heavy oppression that brings hopelessness. That is how you can know that you are being encroached upon. Jesus said, (1 Corinthians 10:13), "No temptation has overtaken you except what is common to mankind. And God is faithful; he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can endure it." Prayer To Annihilate Evil Encroachment"

I take authority, in the Mighty Name of Jesus the Christ, and shut down all evil, demonic encroachment, revoking the enlistment to enlarge hell, obstructing the diabolical schemes of persuasion, disguising sin to attract.

I command, decree, and declare a hedge about the soft targets of impressionable hearts of the easily persuaded, guarding against the iniquities of the works of the flesh, starving its appetite to feed.

I diminish hell's strategy to enlist souls in the name of Jesus. I overtake the lies and the deception of the evil spirits and all demonic entities exposing the tactics to undermine. I Divinely intercept, blocking the spheres of condemnation.

There Is no condemnation in Christ Jesus, whom the Son set free is free indeed. I speak forth Divine reversal annulling every diabolical thought employed to divert the Voice of God, for the sheep knows the Lord's Voice and a stranger he will not follow; in the name of Jesus.

I seize recurring thoughts of the past designed to obstruct the future. I take cover under the wings of the Almighty God shielding the righteous. I speak forth cease and desist unto the encroaching spirits.

I unblock the spirit of control. I deny access, expunging manifestations. A shield constructed before us obstructing the arrows by day and countering the terror by night in the name of Jesus.

I invoke the Law of Encroachment, I call upon the holy angels to remove all evil creatures and to break this operation over us.

I declare in the name of Jesus those actions against us to be encroachment against our rights on earth and ask the holy warring angles to enforce this law now in the Mighty Name of Jesus the Christ!, Amen!

# Gratitude List

There are so many things to be grateful for even in the most difficult marriages. The Lord works everything out for our good. The scripture says the Lord loves a merry hearts. Its easy to lose sight of joy and gratitude when you feel like you are at war, but I promise there is some good there. There many things you can find to be thankful for in your spouse. Even for the trials knowing that the Lord works it out for your good. So take time to ask Holy spirit and write down what you are grateful for in your marriage and family.
